## Test analytics

### Outcomes by priority

Stacked pass / fail / flaky / skipped for each priority tier.

Failure categories

What kinds of failures are hurting the suite.

Not enough data yet. Add meta({ priority }) or run the suite once more.

Duration distribution

How the durations of the tests that ran are spread.

Pass rate trend by priority

How each priority tier trends over the last runs.

Not enough data yet. Add meta({ priority }) or run the suite once more.

Owner leaderboard

Failures and flakes ranked by owner. Add meta({owner:...}) to see this.

Manish

## All test cases

| #  | TEST                                                                                                             | SPEC                            | PRIORITY        | OWNER  | STATUS   | DURATION |
